

As a Head Start/Early Head Start provider, CAP Tulsa is required to collect and retain documentation of the completion of various medical screenings for all children participating in our Early Childhood Education Programs. Having your child seen by trusted medical and dental providers regularly is an important part of completing these required screenings.

Below is a list of dentists and clinics that provide services to families and accept either SoonerCare, private health insurance, or sliding scale payments. This referral list is provided for information only and is subject to change. It is the responsibility of the family to verify payment options, opening hours, and language services provided.
