

CAP TULSA FAMILY SERVICES ADVOCATES

When your child is enrolled at CAP Tulsa, you'll be partnered with a **Family Services Advocate (FSA)** to support your family's goals and help connect you with community resources. Think of your FSA as an advocate who works alongside you as your partner in success.

Your First 90 Days

During your first three months, your FSA will get to know your family and help make sure your child is healthy, ready to learn, and connected to important services.

Family Success Plan

One of your first meetings with your FSA will be to complete a **Family Success Plan (FSP)**. This is a strengths-based conversation where you'll discuss your family's goals, celebrate what's going well, and identify any areas where additional support may be helpful.

Within
30
Days

Your FSA will help you establish
Medical & Dental Homes

Within
45
Days

Your child will complete **Vision & Hearing Screenings**

Within
90
Days

You will provide documentation of a **Well Child Check & Dental Exam**

Ongoing Support Throughout the Year

Your partnership with your FSA doesn't end after the first 90 days! They continue to support your family by connecting you with community services and resources, including:

Healthcare & mental health support

Financial empowerment & community resources

Parenting tools & strategies

Partnering to ensure daily school attendance to improve child success

Ongoing reporting of health & dental milestones

Other services that meet your family's unique needs

TOGETHER, WE'RE BUILDING A STRONG FOUNDATION FOR YOUR CHILD'S FUTURE.
